THE Maharashtra Maritime Board (MMB) has earlier completed projects on Coastal Protection using soft and Nature Based Solutions and is currently processing the implementation of the "Maharashtra Sustainable Climate Resilient Coastal Protection and Management Investment Program" with financial assistance from Asian Development Bank for protecting the coastal erosion and flooding at the selected sites. The activities in the project aren't restricted to only civil works but are multifarious in nature, from loan processing & negotiations to social & environment safeguards in order of being compliant to ADB funded projects.

For the above, the existing Project Management Unit (PMU) in MMB, is the responsible for overall coordination, management & implementation of the Program which needs to be strengthened & augmented. The professionals should have high degree of computer literacy, writing skills in English and Marathi language and willing to work as team.

In the view of above, applications are invited from eligible candidates for the following posts on contract initially for a period of 1 year (Renewable).

Sr. No.	Name of the Post	Consolidated Pay for person on contract	No. of Post	Qualification Required
