*Includes 01 seat for faculty (IT-BHI)

Essential Qualification & Experience:

- I. A medical qualification included in the first or second schedule or part II of the third schedule of the Indian Medical Council Act, 1956. Persons possessing qualifications included in part II of the third schedule of the said Act shall also fulfill the conditions specified in sub-section (3) of the section 13 of the said Act.
- II. A postgraduate qualification recognized by the Board of Governors in supersession of National Medical Commission or equivalent thereto (i.e. if a person with postgraduate medical qualifications awarded in the United States of America, United Kingdom, Canada, Australia or New Zealand desires to take up a teaching appointment, his/her qualification can be considered as equivalent qualification with MD/MS/DM/MCh as the case may be, for the post of Assistant Professor in respective departments in medical colleges in India as per fulfillment of Foreign Postgraduate Qualifications for equivalence norms laid down by NMC from time to time), as indicated in the table below is required.

Diplomate National Board (DNB) /Doctorate of National Board (DrNB) shall be treated as equivalent to MD, MS / DM, MCh qualifications of the respective broad/super-specialties as per NMC Notification issued from time to time[#].

For Determination of equivalence of the qualification of DNB/DrNB with MD/MS and DM/MCh.

The Diplomate of National Board (DNB/DrNB) in broad specialty and in super specialty qualification when granted in a medical institution with attached hospital or in a hospital with the strength of five hundred or more beds by the National Board of Examinations shall be equivalent in all respects to the corresponding broad specialty (MD/MS) and super specialty (DM/MCh) postgraduate qualification. For the purposes of equivalence in teaching, persons holding a Diplomate of National Board qualification in broad specialty obtained from medical institutions with a bed strength of less than 500 shall be required to complete an additional one-year senior residency in a recognised medical institution in the relevant specialty. Certificate from concerned Hospital where DNB has been done should be provided by the candidate.

Post DNB/MD/MS a 3 years DrNB course and in case of direct entry at MBBS a 6 year DrNB Programme has to be completed from a recognized institute/medical college from NBEMS. The candidate should be registered for DrNB training in respective course and also should have passed the final exit examination leading to the award of DNB/DrNB qualification. Certificate from the recognized commission should be provided by the candidate.

III.a. A total of 13, 09, 06 and 03 years of teaching and research experience at a recognized teaching institution, after the prescribed MD/MS/DNB degree for the posts of Professor, Additional Professor, Associate Professor and Assistant Professor, respectively. Of which 03 years as Senior Resident in a teaching and training institute recognized by NMC, New Delhi is mandatory or 10, 6, 3 and 0 years of teaching and research experience after obtaining the degree DM/M.Ch/DrNB in the respective specialty as on **last date for submission of applications**.

III.b. **Additional** requirements are as follows:

Professor:

(i) Have published at least four research publications* including the two research publications after appointment as Additional/Associate Professor.

(ii) Have completed the Basic Course in Biomedical Research (BCBR) from a recognized medical institution designated by the Commission.

Additional Professor:

(i) Have published at least two research publications* after appointment as Associate Professor.

(ii) Have completed the Basic Course in Biomedical Research (BCBR) from a recognized medical institution designated by the Commission.

Associate Professor:

(i) Have published at least two research publications* after appointment as Assistant Professor.

(ii) Have completed the Basic Course in Biomedical Research (BCBR) from a recognized medical institution designated by the Commission.

Assistant Professor:

For Super specialty departments the candidates must have completed the Basic Course in Biomedical Research (BCBR) from a recognized medical institution designated by the Commission.

***Research publication" means only original papers, meta-analysis, systematic reviews, and case series that are published in journals indexed in Medline, PubMed Central, Science Citation Index, Citation Index, Expanded Embase, Scopus or Directory of Open Access Journals and other such journals as may be specified by the Commission from time to time.**

IV. For educational qualifications and experiences as per below table:

Sr.	Departments	Essential Qualification/Experience in addition to point I-III
1	Anesthesiology	M.D./M.S./DNB(Anesthesiology)
2	Biostatistics & Health Informatics	<p>Essential Qualification/Experience in addition to point I-III</p> <p>Faculty (Biostatistics)</p> <p>M.Sc (Statistics/Biostatistics/Population studies) and PhD (Statistic/Biostatistics/Applied statistics) with minimum of 03 years teaching and/or research experience after obtaining the PhD Degree.</p> <p>Desirable</p> <p>Sound knowledge of statistical computing using SPSS/R/STATA/SAS. Special interest in Meta-analysis/ risk analysis/life time data analysis/stochastic modal/ statistical method in epidemiology and health care evaluation</p> <p>OR</p> <p>The candidate should have special interest in multivariate analysis / regression modeling / Artificial Intelligence / Statistical genetics will be preferred.</p> <p>Faculty (IT)</p> <p>B.E. / B.Tech (Computer Science/ Information Technology) and M.Tech. (Computer Science/ Information Technology) with Ph.D. (Computer Science/ Information Technology) from the recognized Institution/ University with minimum of 03 years teaching and/or research experience in the field of Hospital Information Systems (HIS)/ Information Technology after obtaining the PhD Degree.</p>
3	Cardiology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM/DNB/DrNB (Cardiology)</p>
4	Cardiovascular & Thoracic Surgery	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.Ch./ DNB/DrNB (Cardiovascular and thoracic Surgery)</p>
5 A	Clinical Immunology & Rheumatology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM (Clinical Immunology & Rheumatology)</p> <p>DM (Clinical Immunology)</p> <p>DM (Rheumatology)</p>
5 B	Clinical Immunology & Rheumatology (Lab)	<p>MD (Pathology/Microbiology) and minimum of 03 years post MD experience.</p> <p>During post MD experience at least 01 year should be in Lab Immunology. Knowledge of Flow Cytometer and Basic Immunological techniques in essential.</p>
6	Critical Care Medicine	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM/ /DrNB (Doctorate of National Board) in Critical Care Medicine</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*DrNB/DM (Pulmonary Medicine)</p>

		<p>*MD/DNB (Anesthesiology),</p> <p>*MD/DNB (Respiratory Medicine)</p> <p>*MD/DNB (General Medicine)</p> <p>*MD/DNB (Emergency Medicine)</p> <p>a. * at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; or</p> <p>b *. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; or</p> <p>c. * at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p style="text-align: center;">AND</p> <p>d. * shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p>
7	Emergency Medicine	<p>Essential Qualification/Experience in addition to point I-III</p> <p>MD/DNB (Emergency Medicine)</p> <p>MD/DNB (General Medicine)</p> <p>MD/DNB (Anesthesiology)</p> <p>MD/DNB (Respiratory Medicine)</p> <p>MS/DNB (General Surgery)</p> <p>MS/DNB (Orthopedics)</p> <p>Note:</p> <ol style="list-style-type: none"> 1. For the purpose of appointment as faculty in Emergency Medicine Department, 03 years previous teaching experience in the broad specialty of General Surgery or Anesthesia or Respiratory Medicine or Orthopedics or General Medicine post completion of MD/MS/DNB shall be counted AND, 2. On such appointment, the faculty shall complete faculty development programme or trainings prescribed by the Commission, within two years of appointment. <p><u>For the post of Associate Professor (in addition to point I-III)</u></p> <ol style="list-style-type: none"> 1. For the purpose of appointment as faculty in Emergency Medicine Department, 06 years previous teaching experience in the broad specialty of General Surgery or Anesthesia or Respiratory Medicine or Orthopedics or General Medicine post completion of MD/MS/DNB shall be counted AND, 2. On such appointment, the faculty shall complete faculty development programme or trainings prescribed by the Commission, within two years of appointment.

		<p><u>For the post of Additional Professor</u></p> <ol style="list-style-type: none"> 1. For the purpose of appointment as faculty in Emergency Medicine Department, 09 years previous teaching experience in the broad specialty of General Surgery or Anesthesia or Respiratory Medicine or Orthopedics or General Medicine post completion of MD/MS/DNB shall be counted AND, 2. On such appointment, the faculty shall complete faculty development programme or trainings prescribed by the Commission, within two years of appointment. <p><u>For the post of Professor (in addition to point I-III)</u></p> <ol style="list-style-type: none"> 1. For the purpose of appointment as faculty in Emergency Medicine Department, 13 years previous teaching experience in the broad specialty of General Surgery or Anesthesia or Respiratory Medicine or Orthopedics or General Medicine post completion of MD/MS/DNB shall be counted AND, 2. On such appointment, the faculty shall complete faculty development programme or trainings prescribed by the Commission, within two years of appointment.
8 A	Endocrine Surgery	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.Ch (Endocrine Surgery)</p>
8 B	Endocrine Surgery (Diabetic Foot Surgery)	<p><u>Essential qualification for Diabetic foot surgery in addition to point I-III</u></p> <p>MS/DNB in General Surgery from a recognized university/institute and 03 years post MS/DNB experience in diabetes foot surgery or in General Surgery with experience in diabetic foot surgery</p> <p><u>Desirable</u></p> <p>Diploma/certificate course/fellowship in diabetes foot surgery or MCh vascular surgery</p>
9	Endocrinology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM/DNB/DrNB (Endocrinology)</p>
10	Hematology (Clinical)	<p>Essential Qualification/Experience in addition to point I-III</p> <p>D.M./DrNB (Clinical Hematology)</p> <p><u>For the post of Associate Professor (in addition to point I-III)</u></p> <p>For the posts of Associate Professor experience in Hematology (Clinical) post DM/DrNB a teaching and training experience of 03 years as Assistant Professor in Hematology (Clinical) from a reputed or recognised institute of excellence in India or abroad, approved by the Commission is required</p> <p><u>For the post of Professor (in addition to point I-III)</u></p> <p>For the posts of Professor experience of 10 years in Hematology (Clinical) post DM/DrNB in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the</p>

		Commission
11	Hematology (Lab)	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM (Hematopathology)</p> <p>OR</p> <p>*MD/DNB (Pathology) AND</p> <p>*3 year post-MD teaching/research experience with a minimum of two years in hematology from a reputed or recognised institute of excellence in India or abroad, approved by the Commission is required</p>
12	Hospital Administration	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.D. /DNB (Hospital Administration)</p>
13	Infectious Diseases	<p><u>Essential Qualification/Experience + Point No. I to III</u></p> <p>DM (Infectious Disease)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*M.D. /DNB (General Medicine),</p> <p>*M.D. /DNB (Pediatrics)</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; or</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; or</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p>AND</p> <p>d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p> <p><u>For the post of Associate Professor</u> (in addition to point I-III)</p> <p>For the posts of Associate Professor experience of 03 years in Infectious Diseases post DM in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p> <p><u>For the post of Professor</u> (in addition to point I-III)</p> <p>For the posts of Professor experience of 10 years in Infectious Diseases post DM in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p>

14	Maternal & Reproductive Health	Essential Qualification/Experience in addition to point I-III
		MD/MS/DNB (Obstetrics & Gynecology) * *Preference will be given to those who have training in Maternal and fetal medicine or high risk pregnancy and perinatology.
15	Medical Gastroenterology	Essential Qualification/Experience in addition to point I-III
		D.M./DNB/DrNB (Gastroenterology)
16	Medical Genetics	Essential Qualification/Experience in addition to point I-III
		D.M./DNB/DrNB (Medical Genetics) <u>Alternate academic qualification during transition period</u> *MD/DNB (General Medicine) *MD/DNB (Pediatrics) *MD/MS/DNB (Obstetrics & Gynecology) *a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; or b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; or c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty; AND d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.
17 A	Medical Oncology	Essential Qualification/Experience in addition to point I-III
		D.M./DNB/DrNB (Medical Oncology)
17 B	Medical Oncology (Pediatric Oncology)	Essential Qualification/Experience in addition to point I-III

		<p>D.M./DNB/DrNB (Pediatric Oncology)</p> <p>OR</p> <p>*M.D./DNB (Pediatrics) AND</p> <p>* At least three years of experience in Pediatric Oncology from a medical institution/ institute of national importance/ recognised institute of excellence in India or abroad</p> <p>*Shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p>
18 A	Microbiology	Essential Qualification/Experience in addition to point I-III
		M.D./DNB (Microbiology)
18 B	Microbiology (Basic Sciences)	<p>(i) M.Sc. in Microbiology/ Life Sciences AND</p> <p>(ii) Ph.D. in Microbiology from recognized Institution/ University AND</p> <p>(iii) Three years teaching and/or research experience in Microbiology in a recognized institution after obtaining the PhD.</p> <p>Desirable:</p> <p>Work experience in diagnostic Bacteriology/Virology laboratory for handling patient clinical specimens/healthcare associate infections/Surveillance/Molecular antimicrobial resistance/NGS and molecular diagnostics.</p> <p>Experience of sample collection, processing and Biosafety and pathogen handling, laboratory quality system will be preferred.</p> <p>Candidate having research publications in the relevant field.</p>
19	Neonatology	Essential Qualification/Experience in addition to point I-III
		D.M./DNB/DrNB (Neonatology)
20 A	Nephrology	Essential Qualification/Experience in addition to point I-III
		DM/DNB/DrNB (Nephrology)
20 B	Nephrology (Basic Science)	<p>Ph.D. Life Sciences/Biological Sciences/Transplant Immunology from a recognized Institution/University AND three years of Post-Doctoral experience.</p> <p>Desirable: Transplant Immuno-genetics</p>
21	Neurology	Essential Qualification/Experience in addition to point I-III
		D.M./DNB/DrNB (Neurology)
22 A	Neurosurgery	Essential Qualification/Experience in addition to point I-III
		M.Ch./DNB/DrNB (Neuro-Surgery)
22 B	Neurosurgery (ATC)	Essential Qualification/Experience in addition to point I-III
		M.Ch./DNB/DrNB (Neuro-Surgery)

22 C	Neurosurgery (Gamma Knife)	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.Ch./DNB/DrNB (Neuro-Surgery)</p> <p>Desirable</p> <p>Candidates with fellowship/certification in stereotactic and functional neurosurgery or Gamma Knife radio surgery.</p>
22.D	Neurosurgery (Neuro-Otology)	<p>MS/DNB/DrNB (Otorhinolaryngology)</p> <p>Desirable</p> <p>Candidate with fellowship/certification in Neuro-otology</p>
23 A	Nuclear Medicine	<p>Essential Qualification/Experience in addition to point I-III</p>
		<p>MD/DNB (Nuclear Medicine)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*M.D. (Radiotherapy) with two year' experience in Nuclear Medicine in a recognised center of three years of senior residency</p> <p>*M.D. (Medicine) with Diploma in Radiation medicine or Diploma in nuclear medicine of three years of senior residency</p> <p>*M.D. (Radio-diagnosis) with two year' experience in Nuclear Medicine in a recognised center, of three years of senior residency</p> <p>*M.D. (Biophysics) or its equivalent qualification in Biophysics with DRM or DNM or DNB in Nuclear Medicine with two year' experience in Nuclear Medicine in a recognised center, of three years of senior residency</p>
23 B	Nuclear Medicine (Medical Physics)	<p>The candidate should possess a MSc (Physics/Medical Physics / Radiological Physics/Nuclear Medicine Technology) AND</p> <p>PhD in Physics/Medical Physics/Radiological Physics/ Nuclear Medicine AND</p> <p>03 years' post PhD experience in Nuclear Medicine.</p> <p>Desirable: RSO certification through AERB, Mumbai and nuclear medicine imaging and/or cyclotron services experience</p>
23 C	Nuclear Medicine (Radio-Pharmacy)	<p>For Assistant Professor (Radio pharmacy) the candidate should possess</p> <p>(i) MSc in Chemistry with organic chemistry as a major subject from a recognized University AND</p> <p>(ii) PhD in Organic Chemistry from a recognized University. AND</p> <p>(iii) Three years teaching and/or research experience in Nuclear Medicine or radiochemistry in a recognized institution after obtaining the PhD.</p>
24	Obstetrics & Gynecology (for Apex Trauma Center)	<p>Essential Qualification/Experience in addition to point I-III</p>
		<p>M.D./M.S./DNB (Obstetrics & Gynecology)</p>
25	Ophthalmology	<p>Essential Qualification/Experience in addition to point I-III</p>
		<p>MD/MS/DNB (Ophthalmology)</p> <p>AND an experience for the post of Associate and for the post of</p>

		Professor as per point I-III
26	Oral & Max. Surgery (ATC)	Essential Qualification/Experience in addition to point I-III
		MDS (Oral & Maxillofacial Surgery) or an equivalent recognised qualification AND Post MDS three years teaching and/or research experience in a recognized Institution in the Subject of specialty
27	Oto-Rhino-Laryngology/ ENT (ATC)	Essential Qualification/Experience in addition to point I-III
		M.S./DNB (Oto-Rhino-Laryngology)
28 A	Pathology	Essential Qualification/Experience in addition to point I-III
		MD/DNB (Pathology)
28 B	Pathology (Clinical Chemistry)	<p>Essential Qualification: MD/DNB (Laboratory Medicine) MD/DNB (Biochemistry)</p> <p>Essential Experience: A minimum of three years of teaching and/or research experience obtained after qualifying M.D. degree (Laboratory Medicine/Biochemistry or equivalent) after essential qualification, from a recognized institution</p> <p>Desirable: At least two research publications in the field of Laboratory Medicine or Clinical Pathology, with the candidate listed among the first three authors in peer-reviewed indexed journals.</p>
28 C	Pathology (Basic Science) For Molecular Pathology	<p>For Assistant Professor in Pathology (Molecular Pathology)</p> <p>Essential Qualification: Master's degree in Life Sciences, Biological Sciences, Biochemistry, Molecular Biology, Genetics, or a related field, AND Ph.D. from a recognized university in a relevant discipline. AND Minimum Three years teaching and/or research experience obtained after the essential qualification involving molecular testing on human tissue.</p> <p>Essential Experience Proven expertise in next-generation sequencing (NGS), including whole exome / genome / transcriptome sequencing along with proficiency in conventional molecular techniques and experience of application of basic bioinformatics tools in genomic and precision medicine.</p> <p>Desirable: At least two research publications in the field of Human Molecular Pathology, with the candidate listed among the first three authors</p>

		in peer-reviewed indexed journals.
	Pathology (Basic Science) For Electron Microscopy	<p>For Assistant Professor in Pathology (Electron Microscopy)</p> <p><u>Assistant Professor (Electron Microscopy)</u></p> <p>Essential Qualification:</p> <p>Master's degree in Life Sciences, Biophysics, or a related field</p> <p style="text-align: center;">AND</p> <p>Ph.D. from a recognized university in a relevant discipline.</p> <p>AND</p> <p>Minimum Three years teaching and/or research experience obtained after the essential qualification involving human Ultra-structural studies</p> <p>Essential Experience: Human Ultra-structural studies, obtained after the essential qualification.</p> <p>Desirable:</p> <ol style="list-style-type: none"> 1. At least two research publications in the in the field of Electron Microscopy and Human Pathology, with the candidate listed among the top three authors in peer-reviewed indexed journals. 2. Experience in teaching, organizing course in Electron Microscope. Acquaintance in Digital Imaging and Artificial Intelligence.
29	Pediatric Gastroenterology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM (Pediatric Gastroenterology)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*M.D/DNB. (Pediatrics)</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; OR</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; OR</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p style="text-align: center;">AND</p>

		d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.
30	Pediatric Nephrology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>DM (Pediatric Nephrology)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*M.D/DNB. (Pediatrics)</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; OR</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; OR</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p style="text-align: center;">AND</p> <p>d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p> <p><u>For the post of Associate Professor</u> (in addition to point I-III)</p> <p>For the posts of Associate Professor experience of 03 years in Pediatric Nephrology post DM in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p> <p><u>For the post of Professor</u> (in addition to point I-III)</p> <p>For the posts of Professor experience of 10 years in Pediatric Nephrology post DM in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p>
31	Physical Medicine & Rehabilitation (ATC)	<p>Essential Qualification/Experience in addition to point I-III</p> <p>MS/MD/DNB (Physical Medicine & Rehabilitation)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*Medicine with Diploma in PMR</p> <p>*General Surgery</p> <p>*Orthopedics</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are</p>

		<p>not concurrently shown as part of any other department or unit; OR</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; OR</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p style="text-align: center;">AND</p> <p>d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p> <p><u>For the post of Associate Professor</u> (in addition to point I-III)</p> <p>For the posts of Associate Professor experience of 06 years in Physical Medicine & Rehabilitation post MD/MS/DNB in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p>
32	Pulmonary Medicine	<p>Essential Qualification/Experience in addition to point I-III</p> <p>D.M. (Pulmonary Medicine)</p> <p>D.M. (Pulmonary & Critical Care Medicine)</p>
33 A	Radiodiagnosis	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.D./DNB (Radio-Diagnosis)</p>
33 B	Radiodiagnosis (Medical Physics)	<p>A post graduate degree in MSc Medical Physics degree or Radiological Physics from a recognized university.</p> <p>OR</p> <p>A post graduate degree in MSc. Physics from a recognized university with diploma in radiological physics or medical physics from a recognized university</p> <p style="text-align: center;">AND</p> <p>Doctorate Degree (PhD) in from a recognized University in Medical Physics / Radiology / Radiological physics.</p> <p style="text-align: center;">AND</p> <p><u>Teaching and research experience</u></p> <p>Three years teaching and research experience in a recognized Institution in the discipline/subject concerned after obtaining the Doctorate Degree.</p> <p>Desirable: Certification by national / international professional accreditation bodies would be welcome.</p>
34	Stem Cell Research Center Assistant Professor	<p>Essential Qualification/Experience in addition to point I-III</p> <p>Essential Qualification: Ph.D. in Life Sciences/Biotechnology AND at least 03 years Post PhD teaching, research, or industrial</p>

	(Next Generation Sequencing Technologies and Bioinformatics)	<p>experience.</p> <p>Desirable Qualification: The candidate should have expertise in next Generation Sequencing Technologies and bioinformatics in genomics/ proteomics/ Artificial intelligence/data science. The candidate should have published high-quality work (in SCI Journals)/Patents, possess a well-recognized and established reputation, and have made significant, seminal contributions to knowledge in the relevant fields.</p>
	<p>Stem Cell Research Center</p> <p>Assistant Professor</p> <p>(Molecular Hematology)</p>	<p>Essential Qualification: Ph.D. in Molecular Hematology/Molecular Genetics/Life Sciences AND at least 03 years Post PhD teaching, research or industrial experience.</p> <p>Desirable Qualification: The candidates should have expertise in Molecular Hematology/Molecular Genetics/ Molecular Oncology. The candidate should have published high-quality work (in SCI Journals)/ Patents possess a well-recognized and established reputation and have made significant, seminal contributions to knowledge in the relevant fields.</p>
35	Surgical Gastroenterology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.Ch. (Surgical Gastroenterology)</p> <p><u>For the post of Associate Professor (in addition to point I-III)</u></p> <p>For the posts of Associate Professor experience of 03 years in Surgical Gastroenterology post MCh in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p>
36	Transfusion Medicine	<p>Essential Qualification/Experience in addition to point I-III</p> <p>MD/DNB (Transfusion Medicine)</p> <p>MD/DNB (Immunohaematology & Blood Transfusion)</p>

37	Trauma Surgery (ATC)	<p>Essential Qualification/Experience in addition to point I-III</p> <p>MS/DNB (Traumatology & Surgery)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*MD/MS/DNB in orthopedics</p> <p>*MD/MS/DNB in General Surgery</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; OR</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; OR</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p>AND</p> <p>d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p> <p>For the post of Professor in addition to point I-III</p> <p>Experience of managing around 50% volume of Trauma Surgery patient in routine practice.</p>
38	Urology	<p>Essential Qualification/Experience in addition to point I-III</p> <p>M.Ch./DNB/DrNB (Urology)</p>

39	Pediatric Urology	<p>Essential Qualification/Experience in addition to point I-III</p> <p><u>Assistant Professor</u></p> <p>MCh/DrNB in Urology OR MCh/DrNB in Pediatric Surgery</p> <p>1-Year fellowship/Experience in pediatric urology certified by the head of the department/unit of concerned institution/hospital.</p> <p><u>Desirable</u></p> <p>Training in Neuro-urology, Pediatric transplantation & vascular access, Urolithiasis and neonatal surgery.</p> <p><u>Associate Professor</u></p> <p>MCh/DrNB in Urology OR MCh/DrNB in Pediatric Surgery</p> <p>3 years' experience as Assistant Professor in concerned specialty</p> <p>AND</p> <p>1-Year fellowship/Experience in pediatric urology certified by the head of the department/unit preferably with the training in Neuro-urology, Pediatric transplantation & vascular access, Urolithiasis and neonatal surgery.</p> <p><u>Professor</u></p> <p>MCh/DrNB in Urology OR MCh/DrNB in Pediatric Surgery</p> <p>6 years' experience after Associate Professor or 10 years' experience after MCh/DNB in concerned specialty</p> <p>AND</p> <p>1-Year fellowship/Experience in pediatric urology certified by the head of the department/unit preferably with the training in Neuro-urology, Pediatric transplantation & vascular access, Urolithiasis and neonatal surgery.</p>
40	Pediatric Cardiology (Saloni Heart Centre)	<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p>DM/DNB/DrNB (Paediatric Cardiology)</p> <p>OR</p> <p>*DM (Cardiology)</p> <p>AND</p> <p>*One year exclusive clinical experience in Pediatric Cardiology in a recognised academic Pediatric Cardiology department or unit of National/International Repute.</p>

41	Pediatric Cardiac Critical Care (Saloni Heart Centre)	<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p>DrNB/D.M. (Pediatric Critical Care Medicine) DrNB/DM (Cardiac Anaesthesia)</p> <p>*M.D /DNB (Pediatrics)</p> <p>*With Post MD minimum of three years of training and teaching experience in Critical Care Medicine from the recognised institutions.</p> <p><u>Desirable Qualification :-</u></p> <p>Candidates who have exposure to Pediatric cardiac critical care patients during their training and/or training from a reputed and recognized institute of excellence in India/abroad.</p> <p>Experience in pediatric cardiac critical care patients, around 30-50% during their three years of specialty training as required experience for the posts.</p>
----	--	---

42	Pediatric Cardiac Surgery (Saloni Heart Centre)	<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p>MCh/DNB (Pediatric Cardiovascular and thoracic Surgery)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>MCh/DNB/DrNB (Cardiovascular and thoracic Surgery) AND</p> <p>01 Year Experience in Pediatric CVTS from a high volume, neonatal and Pediatric Cardiac Surgery program.</p> <p>*M.S./DNB in General Surgery</p> <p>*a. at least three years of experience in a medical institution with an exclusive department or unit dedicated to the specialty, having separate and dedicated infrastructure and faculty members who are not concurrently shown as part of any other department or unit; OR</p> <p>b. at least three years of experience in an institute of national importance with a dedicated department or unit in the specified specialty; OR</p> <p>c. at least three years of experience in a reputed or recognised institute of excellence in India or abroad, approved by the Commission, running a department or unit dedicated to the specified specialty;</p> <p style="text-align: center;">AND</p> <p>d. shall have at least two research publications in the concerned specialty during the three years period specified above and must be amongst first three authors.</p> <p><u>For the post of Associate Professor (in addition to point I-III)</u></p> <p>For the posts of Associate Professor experience of 03 years in Pediatric Cardiovascular & Thoracic Surgery post MCh in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission OR</p> <p>Assistant Professor for 03 years in Cardiovascular & Thoracic Surgery AND include 02 years' experience in Pediatric CVTS from a high volume Neonatal & Pediatric Cardiac Surgery program from a reputed or recognised institute of excellence in India or abroad</p> <p><u>For the post of Professor (in addition to point I-III)</u></p> <p>For the posts of Professor experience of 10 years in Pediatric Cardiovascular & Thoracic Surgery post MCh in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p> <p>OR</p> <p>Professor for 10 years in Cardiovascular & Thoracic Surgery AND includes 04 years' experience in Pediatric CVTS from a high volume Neonatal & Pediatric Cardiac Surgery program from a reputed or recognised institute of excellence in India or abroad</p>
----	--	--

43	Pediatric Anesthesiology (Saloni Heart Centre)	Cardiac	<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p>DM/DNB (Cardiac Anesthesia)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>MD Anaesthesia along with 02 year fellowship in Cardiac Anaesthesia in a center doing not less than 30% Pediatric Cardiac Surgery, AND one year Senior Residency as alternate minimum qualification to DM/DrNB Cardiac Anaesthesia.</p> <p>For the post of Professor in addition to point I-III</p> <p>10year experience in Pediatric Cardiac Anesthesiology post DM/DNB in the relevant subject from a reputed or recognised institute of excellence in India or abroad, approved by the Commission</p> <p>OR</p> <p>13year post MD/DNB in Anesthesia AND include 04 years' experience in Pediatric Cardiac Anesthesiology from a high volume Pediatric Cardiac Anesthesiology program from a reputed or recognised institute of excellence in India or abroad.</p>
44	Pediatric Cardiac Radiology (Saloni Heart Centre)		<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p>DM (Cardiac Radiology)</p> <p><u>Alternate academic qualification during transition period</u></p> <p>*MD/DNB in Radiodiagnosis</p> <p>AND</p> <p>*Post MD/DNB 03 years of teaching and research experience at a recognized teaching institution/Centre of Excellence. Out of 03 years of experience 02 years should be in field of pediatric cardiac radiology with dedicated service in the specialty.</p>
45 A	Telemedicine & Digital Health (Medical)		<p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p><u>Professor</u></p> <p>MD/MS/DNB (Medical disciplines/Masters in Public Health)</p> <p><u>Desirable:</u></p> <p>Relevant experience minimum of 10 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in telemedicine and Digital Health or related field.</p> <p><u>Essential Qualification/Experience in addition to point I-III</u></p> <p><u>Associate Professor</u></p> <p>MD/MS/DNB (Medical disciplines/Masters in Public Health)</p> <p><u>Desirable:</u></p> <p>Relevant experience minimum of 06 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in</p>

		telemedicine and Digital Health or related field.
		Essential Qualification/Experience in addition to point I-III
		<u>Assistant Professor</u> MD/MS/DNB (Medical disciplines/Masters in Public Health) <u>Desirable:</u> Relevant experience minimum of 03 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in telemedicine and Digital Health or related field.
45 B	Telemedicine & Digital Health (Non-Medical)	Essential Qualification/Experience in addition to point I-III
		<u>Professor</u> Postgraduate M.Tech/MS (Computer Science/Information Technology) Ph.D. <u>Desirable qualification:</u> Relevant experience minimum of 10 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in telemedicine and Digital Health.
		Essential Qualification/Experience in addition to point I-III
		<u>Associate Professor</u> Postgraduate M.Tech/MS (Computer Science/Information Technology) Ph.D. <u>Desirable qualification:</u> Relevant experience minimum of 06 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in telemedicine and Digital Health.
		Essential Qualification/Experience in addition to point I-III
		<u>Assistant Professor</u> Postgraduate M.Tech/MS (Computer Science/Information Technology) Ph.D. <u>Desirable qualification:</u> Relevant experience minimum of 03 years in the field of Data Sciences, Health Informatics, Biomedical Engineering, Artificial Intelligence and Machine Learning, Master or Doctorate in telemedicine and Digital Health.

Pay Scale (Currently as per 7th Pay Commission)

1.	Assistant Professor	Level-12 Pay Matrix Rs. 101500/- to Rs. 167400/-
2.	Associate Professor	Level-13A-1+ Pay Matrix Rs. 138300/- to Rs. 209200/-
3.	Additional Professor	Level-13A-2+ Pay Matrix Rs. 148200/- to Rs. 211400/-
4.	Professor	Level-14A Pay Matrix Rs. 168900/- to Rs. 220400/-

In addition, applicable non-practicing allowance (to clinically qualified candidates) and other allowances as per the Institute rules will be paid. New pension scheme of the government will be applicable.

Upper age limit: 50 years as on 08.09.2025

- I. The age limit may be relaxable for exceptionally qualified candidates at the discretion of the selection committee, within the upper limit as prescribed by NMC. There will be no age relaxation for SC/ST/OBC candidates applying for unreserved seat.
- II. Government servants and candidates belonging to scheduled castes /scheduled tribes/ other backward class will get age relaxation as per Uttar Pradesh Govt. rules /orders.
- III. Scheduled Caste, Scheduled Tribes, Other Backward Class, Dependents of Freedom Fighter, and Persons with Disability, Ex-Serviceman and women candidates who are not the permanent residents of Uttar Pradesh shall not be given the benefit of reservation /age relaxation. Such candidates shall be treated as the candidates of the Unreserved Category. In case of women candidates, the caste certificate issued from father's side only will be treated valid.
- IV. **EWS candidates should submit a certificate, issued by the competent authority of UP Govt. (Order no. 1/2019/4/1/2002/Ka-2/19T.C.-11 dated 18/2/2019). In case no EWS candidate is found suitable/apply then candidate in UR category will be considered.**
- V. Reservation for Person with Disability (PWD) as per UP Govt. Rules.

General conditions:

- Applicants may also be considered for appointment on contractual basis or on deputation.
- **Incomplete applications will not be considered and will be rejected. Incomplete application includes:**
 - Non deposition of requisite fee
 - Non availability of caste certificate when applicable
 - For OBC candidates' certificate should be within last 06 months
 - In case of women candidates, the caste certificate issued from father's side only will be treated valid.
 - UP Domicile certificate from relevant authorities.
 - Non submission of Certificates in support of experience
 - Non-submission of Certificate of registration of medical qualifications by NMC when applicable
 - Not meeting the desired publications with indexing and authorship
- Advance applications will be accepted but a copy forwarded through proper channel or a 'no objection certificate' from the current employer must be submitted before the interview call or should be presented on the date of interview.
- Exceptionally-qualified candidates having meritorious records and/or specialized experience may be considered for advance increments on the recommendation of the Selection Committee.
- In case of non-availability of candidates of requisite qualifications and experience, the Selection Committee may make such recommendations as it may deem fit.
- The number of posts indicated above is provisional and subject to change without prior notice.
- Selections may or may not be held for all the advertised posts.
- The application form may be downloaded from the Institute's website www.sgpgims.org.in.
- A **Non-Refundable** Demand draft must be attached as application fee of **Rs. 2000** for general category persons and **Rs. 1000** for OBC/SC/ST/PwD/EWS domiciled in the State of Uttar Pradesh for applicants

within the country and **US \$ 100.00 or equivalent foreign currency for overseas candidates in favour of Director, SGPGIMS, Lucknow Academic Account, payable at (SBI-Code No. SBIN0007789) SGPGIMS, Lucknow.** Candidates should write their name on the back side of the draft.

- The Institute will not be responsible if application of any candidate is rejected on the basis of incomplete or faulty information filled online.
- Three testimonials / reference letters specific to an advertisement are a vital part of the application process and assessment of a candidate. Therefore, these must be attached with Hard Copy of the Application
- Candidates will be intimated by email regarding the date of interview. Original documents will be verified at the time of interview
- Mere eligibility does not entitle a candidate to claim for appointment.
- No TA / DA will be paid to attend the interviews.
- Only eligible candidates will be called for a personal Interview.
- Skype / digital interviews may be permitted on request, subject to the candidate accepting inherent risks of technology failure.
- The appointment shall be subject to certification of medical fitness by the Medical Board of Institute and verification of the documents.
